

Congratulations, you have just been hired as the new welcoming concierge at the brand new **Haven campsite Lost Angeles!** Your job is to greet the new families at the entrance gate and take them in your cart to their holiday caravan where they can start their fun action packed holiday.

We are proud to release our new Campsite layout. It is a circular layout with the main gate entrance at the front.

### THE TASKS!

- You will collect groups at the **Gate** of the campsite. One group at a time
- At the **Gate** you will find a queue of **Groups**. Each group has **N** number of people with a **campsite destination**.
- You must take them in your cart to their destination by following the map.
- It takes you **1 minute** to travel between each caravan on the map
- Don't worry about timing the return journey

### RESULTS

- Your camp supervisor will be wanting to know two things at the end of every day.
- The waiting time of each **Group** before they got to their caravans
  - What route did you take for each **Trip??**
